SSV is a Distributor of Quality
Asset Protection Products for North
America & around the world!

X-20-18

Xzilon for Bright Work: A high solids formula, micro-coating for preventing corrosion & preserving finish on bare metal - both polished and unpolished surfaces. Xzilon will extend your re-polish cycle time. Referenced by Boeing S/L, Gulfstream GAMPS, Bombardier BAPS, Rolls Royce TV11807R and more.

X-20-WO

Xzilon for Painted Surfaces: Benefits include improved fuel savings, easier, faster cleaning of aircraft and prolonged paint life. "WO" formulation makes it easier & faster to apply than the Original Xzilon (~60% less work required).

X-20-15

The Original Xzilon: Led the way for creating a micro-coating that both protects and prolongs bare and painted metal surfaces. All Xzilon formulations have passed the Boeing Salt Spray test (1400hrs.), UV Block/UV 30 test, and rain erosion test.

Approvals or Endorsements:

- Boeing
- Airbus
- Bombardier
- Gulfstream
- Rolls-Royce
- Embraer

(Xzilon is available in 16oz. Bottles or in kit form with necessary accessories—call for details.)

Support Products

XC-11 The Pink Stuff

Aviation Spray & Shine Cleaner/Color Brightener. Designed for spray application to give a just polished shine to your aircraft. Special, high-lubricity formula removes and lifts dirt without scratching, leaving a high-gloss look. Boeing, Douglas and Airbus approved. Available in Gallon, 5 Gallon and 55 Gallons.

XG-5 The Blue Stuff

XG-5 Hard Surface Cleaner Concentrate is a milder cleaning solution designed for post flight wipe downs or general dry wash cleaning of the complete airframe. Boeing, Douglas & Airbus approved. HAZARDOUS SHIPPING CHARGES WILL APPLY. Available in Gallon, 5 Gallon and 55 Gallons.

XE-3 The Green Stuff

Zero V.O.C. Degreaser Concentrate. Great for a strong wipe down solution for Engine Nacelles, Wheel Wells, and Belly Skins. A powerful solution for those hard to clean fuselage areas. Boeing, Douglas, and Airbus approved. Available in Gallon, 5 Gallon and 55 Gallons.

Isopropyl Alcohol

100% Isopropyl Alcohol used for heavy cleaning and prepping of bright work for Xzilon application. Available in 5 Gallon and 55 Gallons.

Clay Bars

XC-12 Surface Preparation Clay Bar. To be used with either Granitize Aviation's XC-11 Spray & Shine or XE-3 V.O.C. Degreaser Concentrate. Designed to remove all old applications of products and prepare surface for Xzilon 3. Boeing, Douglas and Airbus approved.

Cleaners & Polishes

AVIATION INTERNATIONAL

XW-9M Drywash

XW-9M is a multi-use product which can be used on General Aviation, Corporate & Commercial Aircraft. XW-9M Drywash will remove stains & light oxidation. **Available in 1/2 gal.**

Racer's Edge

The ultimate in polymer polish to clean & maintain the operator's air-frame for that wet look. Built-in UV protection. For commercial & general aviation aircraft use. **Available in 16oz., gallon, 5 gal.**

S-3 Wet Wash

A highly concentrated pink liquid soap which features dirt lifting, excellent sheeting action and a cherry fragrance. Low usage cost since it's highly concentrated and mixes with water. Safe for all paint types due to its pH balanced formulation. Saves time because its high foam lifts and holds dirt in suspension, and rinses thoroughly. **Available in gallon, 5 gal.**

T-6 Tire Dressing

A highly durable, concentrated, water-based dressing that can be mixed to the desired gloss level. Water-based formulation contains no harsh solvents. Shines and protects rubber, plastic, vinyl surfaces. **Available in gallon, 5 gal.**

No Streak Glass Cleaner

Great glass cleaner, but field work has showed that No Streak was effective at **removing dirt, carbon soot, and even some Skydrol stains** from painted surfaces. Economical and fast to use!

Other Accessories

Trisoft Aircraft Covers

Trisoft Aircraft Covers are for sharp corners and protrusions; they provide warning and protection, reducing the likelihood of injury to personnel or damage to the aircraft. The Covers easily slip onto the dorsal antennas, trailing edges, sharp corners, or wherever, providing a safer passage while working or walking under an aircraft.

StepNGo

The original StepNGo installs foot protection in seconds without bending down. Keep dirt and grime out of your aircraft, office, or wherever. This unit is 100% portable and requires zero maintenance. Booties are sold separately. See the video at southseasparts.com

Perrone Leather Maintenance

Leather Cleaner w/ Conditioner

This unique formula is custom blended to clean and rejuvenate fine leather surfaces. Leather Cleaner with Conditioner features a unique protective barrier that, when used regularly, helps to prevent soiling from stains such as dirt, grease, ink, grime and body oils.

CC-2S 5oz. Bottle
CC-232 32oz. spryr
CC-228 Gallon

Larger sizes available.

Deep Cleaner w/ Conditioner

Specifically formulated to dig out heavy-duty soils and stains from finished leather. Removes glossy build-up from body soils and dirt. Well balanced to effectively remove soils without harming the topcoat system of finished leather. Leaves leather looking and feeling new.

DC-2S 5oz. Bottle
DC-232 32oz. spryr
DC-228 Gal.

Larger sizes available.

Ink Remover

Perrone Ink Remover will help to effectively remove most ink and highlighter stains from finished leather surfaces. Removes lipstick and other stains quickly and effectively. Will not harm the finish system of finished leather.

IR-102 2oz. Bottle
IR-128 Gallon

Leather Brushes

Perrone's Leather Cleaning Brushes dig out tough soils and stains from the pores of natural and corrected grained leather. For best results, use with Perrone's cleaning products. Can also be used for suede and nubuck.

BR-01 Small
BR-02 Large

Leather Cleaner Wipes

(Featuring Dupont's Son-tara fabric) - These wipes feature our custom blended Leather Cleaner with Conditioner formula coupled with Dupont's aerospace approved fabric to meet AMS-3819B, BMS15-5F and DMS-1820E aerospace standards. Packaged in rugged, reusable canister. Ideal as part of a fly-away kit.

SW-145 45wipes/can

Leather Conditioner

Premium cream formula fortified with UV features a delicate blend of conditioners and protectants. Leather Conditioner rejuvenates leather to look and feel like new again. UV sun-screen helps to protect finished leather from the damaging effects of the sun.

CN-1S 5oz. Bottle
CN-216 16oz. Bottle
CC-228 Gallon

Larger sizes available.

Clear Choice Carpet Cleaner

Clear Choice is a non-toxic, non-flammable, biodegradable, odor free; carpet spot remover. Spots disappear and will not reappear. Clear Choice was developed in 1986. and is sold only on a commercial level , Clear Choice removes spots easily with out any odor or side effects. Industry users have praised it, calling it a truly superior product. Clear Choice is endorsed by Terry Brennan, of T. Brennan, Inc., a recognized expert in the field of aircraft detailing and cleaning. Clear Choice is used by some notable clients like the New York City Ballet, JFK Center for the Performing Arts, and Walt Disney Productions, just to name a few.

Mada Germicidal Solution

MadaCide-FD—alcohol based
 MadaCide-FD (Fast Drying) is an EPA registered germicidal, hospital grade disinfectant/cleaner. MadaCide is a safe & effective alcohol based, broad spectrum infection control spray. It is Fungicidal, Pseudomonacidal, Virucidal, Bactericidal and Tuberculocidal (it will kill some pretty nasty stuff!). Use on hard surfaces in lavs, surgery, recovery, ERs, emergency transport, radiology, and anywhere germs might be found. Can be used in ultrasonic cleaners.
MD7020 32oz. Bottle w/ sprayer
MD7021 Gallon Bottle
MD7023 5 Gal. Bottle
MD7024 55 Gal. Drum

MadaCide-1—alcohol free
 MadaCide-1 (slower to dry than – FD) is a broad spectrum, multipurpose, hospital grade disinfectant/cleaner. MadaCide-1 (as well as – FD) kills Hepatitis A, B, & C, Mycobacterium TB, MRSA, Poliovirus, HIV and others as well as being a Fungicidal. Safe to use—non-corrosive, non-staining, non-toxic, & non-irritating. Environmentally friendly: unlike Glutaraldehydes & others, MadaCide is easy to dispose of: just pour down the drain.
MD7008 32oz. Bottle w/ Spry
MD7009 Gallon Bottle
MD7010 5 Gal. Bottle

MadaWipe-FDW
 Disposable, fast drying wipes containing a stable, low pH formulated disinfectant & deodorant. FDW offers a fast and economical way to wipe down critical areas with a germicidal cleaner. No rinsing is necessary—allow to air dry. Each container holds 160 towlettes, 6"x7" size.
MD7031

MadaFomPlus
 Foaming, Instant Hand-Sanitizer with Aloe & Vitamin E. Use to decrease bacteria on skin and requires no water. Stocked in convenient travel size (1.7 oz), MadaFom can go almost anywhere you go.
MD7014 1.7oz

MadaGel
 Instant Hand Sanitizer with moisturizers. Kills 99.9% of common bacteria, yeast, and fungi in seconds without using water. MadaGel has broad spectrum, antimicrobial; effective against MRSA, E.Coli, and VRE. A must as part of a 'fly-away' kit.
MD7055 4oz. Bottle

Jet Stream Aviation Products

Pbs Prep
 Pbs Prep is formulated for use before each Pbs Boot Sealant application to avoid dulling and hard to remove build-up. Pbs Prep will effectively clean pneumatic de-ice boots of all old boot treatments insuring the best results when applying Pbs Boot Sealant. Failure to prepare de-ice boots with Prep may result in dulling due to build-up.
PREP01 32oz. Bottle

Pbs Boot Sealant
 Your boots, no matter how old, grungy, yellowed, waxed over or dull, will come out looking better than new. The results are nothing short of stunning. Pbs Boot Sealant was tested against competitors products and found to be far superior in both results and "ease of application".
PBS01 32oz. Bottle

Operator/Hangar Cleaning Kit:

This convenient Operator/Hangar Cleaning Kit contains only products recommended and used by Professional Aircraft Cleaning/Detailing companies everywhere. Ideal for operators looking to stay ahead of heavy cleanings and maintain the appearance & safety of their asset. This kit contains the following: Perrone's Leather Cleaner/Conditioner, Ink Remover, & Cleaner/Conditioner wipes; Gel Gloss glass cleaner (great for hard surfaces) & counter-top cleaner; Mada anti-bacterial cleaner, wipes & hand-sanitizer; horsehair brush for leather & micro-fiber towels; CD with MSDS, product application, approval & re-order information.
SSV-022 Kit

Fly-Away Interior Cleaning Kit:

This kit is designed to be carried on-board the airplane so the crew can quickly address cleaning issues quickly. This kit contains the following: Perrone's Leather Cleaner/Conditioner Wipes—great for quick seat wiped-downs; Perrone's Ink Remover—it is generally best if ink can be addressed before it dries completely, possibly ruining a chair; Mada's Anti-Bacterial Wipes for those just-in-case situations; and a bottle of Hand-Sanitizer Gel for the health of the crew.
